Mrs. Sophie Flinn Is Taken by Death

Mrs. Sophie J. Flinn, a resident of this community for the past 16 years, died on Sunday night after an illness of a month and a half. She was 84 years of age, a native of San Francisco. She was the wife of Joseph H. Flinn. The family home is on Eighth Ave., North Fair Oaks.

Funeral services will be held Wednesday at 10 a.m. at the Layng & Tinney Funeral Home, with the Rev. S. J. Chaney, pastor of the First Methodist Church, officiating. Interment will be in Alta Mesa Cemetery.

Although Mrs. Flinn had been

Judge To Tell Of Drug Evil

Judge Twain Michelson, judge of the municipal court of San Francisco, will speak at the Father and Son Banquet given by the Menokirk Club Tuesday evening, Feb. 27. The subject of his address will be, "The Growing Menace of the Narcotic Racket," a problem with which he is deeply concerned.

Over a period of years Judge Michelson, co-operating with state officials, has delivered many addresses to combat the increasing use of marihuana by youths.

Entertainment includes numbers on the accordion by Armando Etiopi and selections on the ocarina by William Dusel. With Karl Ernst at the piano, T. W. Badley will lead community singing.

Ladies of the Methodist Church will prepare and serve the banquet, beginning at 6:45 in the social hall of the church. Diego Moyano, Secretary, 2298-J, has a number of tickets available; also a list of "sons" for men who would like to adopt one for the father and son banquet.

'20,000 MEN A YEAR'

This tense scene between Randolph Scott (left) and Preston Foster, with Margaret Lindsay looking on, is from the thrilling Cosmopolitan production for 20th Century-Fox opening Sunday at the Redwood Theater—"20,000 Men A Year." This timely film is based on the national Civil Aeronautics Authority civilian training program for supplying America with a new brood of eagles—college students into airmen!

"20,000 Men A Year"!

Today America's eyes are on them—as the college youth of the nation, thousands strong, take to the sky! Eager for action, ready for danger, the students of today are the airmen of tomorrow, and their thrilling story is told, through the eyes of the women who love them and the men who give them wings, in the Cosmopolitan production for 20th Century-Fox coming Sunday to the Redwood Theater, "20,000 Men A Year."

Timely as tomorrow's headlines, the film features Randolph Scott, Preston Foster and Margaret Lindsay heading a cast including Mary Healy, Robert Shaw, George Ernest, Jane Darwell, Kane Richmond and Maxie Rosenbloom.

'Don' Hurd Appointed Tribune 'Ad' Manager

Appointment of Graydon S. (Don) Hurd, who for a number of years has been engaged in merchandising and advertising, as advertising manager of the Tribune was announced here by Sam H. Winklebleck, publisher. Hurd succeeds Don Mikkelsen, who has resigned.

GRAYDON S. (DON) HURD

Hurd, who with his wife and daughter Virginia, 6, has moved here from San Francisco, taking a home on Middlefield Rd., has for the past year and a half been engaged in the newspaper advertising feature business. He has just returned from New York after a lengthy trip through the Southern States.

Prior to that time, he was for two years on the advertising staff of the Marysville Appeal Democrat, a daily newspaper, and before that was with the Humboldt Standard for two and a half years.

He entered the newspaper advertising field after spending 10 years in the merchandising business with the Emporium firm in San Francisco. For five of those years he was with the Emporium Corp., then spent five years as assistant manager of the company's food market, the Crystal Palace Market.

Additional experience in this line which he believes will prove helpful in his work with Redwood city merchants includes the building of two markets, one of them the San Mateo Food Center, which he sold.

Also on the Tribune's advertising staff are H. D. McKay and Joe Goularte.

Rapid Growth In South End

Three hundred eighty-four new buildings were erected during the past calendar year, within the boundaries of the Menlo Park Fire District, according to statistics compiled by the San Mateo County building inspector, William Watson Jr., and the building inspectors of the towns of Atherton and Menlo Park.

These new structures represent a value of $1,516,410, according to Thomas F. Cuff, chief of the fire district. However, it is believed that the assessed valuation of the 384 places would be considerably higher, since the above figure does not include value of property, furniture, or other vital figures.

The three stations in the fire district will "cover" the largest number of homes in their history, including buildings in 10 communities, some business districts.

The figures represent the totals for Menlo Park, Atherton, and the adjacent communities of, North Fair Oaks, East Palo Alto, North Palo Alto, the Sequoia Tract, the Colman Tract, University Heights, Menlo Heights, and Belle Haven City.

The number of buildings erected in a one-year period was the largest in the eight years Chief Cuff recalls as head of the Menlo Park district.

Two Out for Posts On M. P. Council

MENLO PARK, Feb. 13—One candidate has filed his notice of intention to run for the post of Menlo Park city councilman and another will soon file, it was learned today as a result of the meeting last night of the advisory board of the Menlo Park Taxpayers' League.

Joseph Day, former partner in the Palo Alto firm of Day & Pogue, and a resident of the Atherton-Menlo Park district for 10 years, became the first candidate to seek a council post when he filed his candidacy with Mrs. Fannie Kurtz, city clerk.

"While Mr. Day is acceptable to the league, we will not come out with indorsement of any candidates for the Apr. 9 election until late in the campaign," the advisory board went on record as saying last night.

The other candidate will be Paul F. Bryant, secretary-treasurer of the Taxpayers' League, who resigned from the organization last night because of his intention to campaign.

Two posts on the council will be open this year. The terms of Harry J. Lusk and Frank Beeton expire, and there have been no indications as to whether the incumbents will run again or whether they will decline to be candidates.

Public Schools Week To Begin on Apr. 22

The 21st annual observance of Public Schools Week in which Redwood City and other Peninsula schools participate, will begin this year on Monday, April 22, according to William B. Ogden of Los Angeles, grand master of Masons in California. The annual observance is conducted in cooperation with Parent Teacher associations, the American Legion, women's organizations, chambers of commerce and other service and civic groups.

Shenandoah National Park, in Virginia, and the Great Smoky Mountain National Park, Tennessee and North Carolina, are the most visited of all the national parks of the United States.

Long Illness Fatal To A. E. Trevillyan

Albert E. Trevillyan, 57, of 46 Devonshire Ave., Redwood City, passed away at a San Mateo hospital Tuesday after an illness of more than a year.

Mr. Trevillyan, a native of Bengido, Australia, had lived in Redwood City for 17 years. He was a carpenter, belonging to the Palo Alto Carpenters Union.

Surviving relatives include his wife, Mrs. Leah Trevillyan; two daughters, Mrs. Elsie Peald of Grass Valley and Marjorie Trevillyan of Redwood City; sister, Mrs. Anne Rose of San Jose, Mrs. Freda Halcumb of Redding, Mrs. Bessie Ahlgren, wife of Fire Chief Carl D. Ahlgren of Albany, and a brother, Sam Trevillyan of Nevada City.

Auto Association Gives Up Site Plans

SAN MATEO, Feb. 13 — The California State Automobile Association announced today that it had dropped negotiations for lease of the south-west corner of El Camino Real and Third Ave. as a district office location.

Since the opening of negotiations, concern has been expressed that occupancy of the site by the club might affect the residential character of the locality as established under the zoning laws.

The association said it has ceased consideration of the location because it does not desire to be a party to opposing the wishes of any group of residents.

Carl W. Anderson, attorney for H. W. Regan, owner of the property, said the announcement "comes as a complete surprise" and declared he would have to confer with his client before determining what to do about the suit filed by Regan last week.

Toastmasters Name Six for Contest

Six members of the Redwood City Toastmasters Club were elected Monday night to compete Mar. 4 for the honor of representing the local organization in the coming area contest, winner of which will go into the annual Toastmasters International speaking contest.

Selected by fellow Toastmasters were W. Earl Whitaker, P. M. Williams, Louis B. Dematteis, Donald L. Bogie, Dr. R. O. La Berge and Clarence J. Holt. Two of them will enter the area contest.

Opera Company Due In S. F. This Week

SAN FRANCISCO, Feb. 12 — The San Carlo Opera Company will arrive here this week-end on its thirtieth annual transcontinental tour for one of the longest stops on its itinerary, embracing some 50 odd cities in the United States and Canada.

The company will open with a spectacular performance of Verdi's "Aida" in the War Memorial Opera House Monday night, February 19th. A total of eighteen performances will be given during the San Carlo's stay here. Tickets are on sale at Sherman Clay & Co.

William Baker, 79, Dies After Illness

William Baker, 79-year-old retired coal miner who had lived in Redwood City for the past six months, died Sunday at his home on Sequoia Ave. after a three months' illness.

Mr. Baker, a native of South Wales, was the father of Robert O. Baker of Redwood City and of Ruth Ellen Baker of Woodland.

Production Exceeds 1929

San Mateo County today took its place as a manufacturing community in the top 5 per cent of the nation's 3070 counties.

In a rating released by Secty. of Commerce Harry L. Hopkins, San Mateo County stood 163rd in value of manufactures produced, 150th in money spent for manufacturing necessities.

Most important statistics of many submitted by Hopkins to assist manufacturers and distributors in marketing their products more efficiently by giving them a key to power, was the figure which shows that the county's industrial business recovery has come all the way—and more.

San Mateo County is producing more industrial goods — 14 per cent more—than it did in the peak properity year of the Golden Glow of American economy, 1929.

SPENDING MORE TOO

It is spending 19 per cent more for raw materials, fuel and power than it ever did.

Not included in the Hopkins report is the implication that the zenith of industrial production has failed to end unemployment in San Mateo County, for technological or whatever reasons.

The Hopkins report compares figures for three years: 1929, the prosperity peak; 1933, the turning point of depression; 1937, the latest figures available.

"Prosperity" in 1929 meant $47,497,273 worth of goods manufactured; "depression" in 1933 was a 47 per cent cut to a mere $25,195,180; "recovery" reached a new all-time peak in 1937 when manufactured goods produced in the county had a value of $54,-293,044.

FIRST TIME AT TOP

The came course was followed by money spent for manufacturing necessities: $31,239,423 in 1929, $14,935,159 in 1933, and $37,-229,304 in 1937.

It was the first time that San Mateo County had been ranked among the top industrial counties of the nation. The ranking included only 167 counties which produced 75 per cent of the total value of manufactured goods. The other 25 per cent was scattered through 2777 counties.

J. O. Yount Buys Patrol Service

J. O. Yount, Dickinson Patrol representative in the south county area for the past year, announced here that he had purchased the service outright from Robert Dickinson of Woodside and henceforth will operate under the name of the People's Patrol Service.

Yount's firm will serve the area from Redwood City to the Santa Clara County line, including the communities of North and East Palo Alto, Belle Haven City, Menlo Oaks, North Fair Oaks, Dumbarton Oaks and the unincorporated areas along El Camino Real.

Associated with Yount is Roy Moore, who served 15 years on the Palo Alto police force.

Yount said he hoped to build up the service to a point where it would provide 24-hour service with two-way radio equipment. The patrol service is supported by private subscription.

Yount's home is at 742 Menlo Ave., Menlo Park.

Yount is bonded and licensed by the state and has been deputized by Sheriff James J. McGrath.

Dickinson, he said, intends to continue operation of the Woodside patrol.

Fiesta Public Meeting Set for February 20

First of a series of public meetings to explain the activities of the San Mateo County Fair Association will be held in the San Mateo City Hall at 8 p.m. Tuesday, Feb. 20, Pres. Bruce Gibson announced. "We will have all our books present and hope to explain for the benefit of the public the workings of our organization," Gibson said.

Employes of City And Council Talk Of Civil Service

Expression of the attitude of the city's employes toward the proposed merit and retirement systems which will be voted upon by the city was heard Monday night by members of the city council.

Subject of the longest discussion during the meeting was the question of how far back the installation of the merit system would affect new employes.

"Ordinarily, when a merit system is installed only employes who have been hired within the six months preceding the installation are subject to competitive examinations," Councilman Evans A. Fletcher explained. "The council's committee has considered making that period of five years' duration, which would mean that any employe hired in the last five years would have to pass mental, physical and age requirements just as would any new applicant for a position. However, the amount of experience in a particular job would have some bearing on a new employe's status, as well as his mark in the examinations."

All members of the city council but William Hohn were present at the meeting. Members of the civil service committee, in addition to Fletcher, are Paul A. McCarty and Harold F. Anderson.

Fletcher characterized the meeting as "very successful," and said a future meeting has been planned, at which the retirement proposal will be taken up more fully. It was touched only lightly last night.

Representing the uniformed forces of the city government were W. H. Thorpe of the police department and Richard Drivon of the fire department. They were elected to represent the two departments in a meeting of the groups last week.

Councilman McCarthy, who is chairman of the committee, explained the purposes of the two proposals and what they would mean to the city's personnel. He pointed out that the committee had no legislative power and its only function was to investigate the two proposals and present its findings and recommendations to the council.

Date of the future meeting on the retirement proposal was not set, but all employes will be notified when the date is decided upon. The two questions will be placed on the ballot Apr. 9, for decision by the people whether they should be incorporated into the city government by ordinance. It will not be necessary to institute the two systems by charter amendment, should the people vote their acceptance of the two plans, McCarthy pointed out.

Mrs. Laura Collins, Deputy Clerk, Dies

Mrs. Laura Collins, for many years naturalization deputy in the office of the county clerk, died Wednesday afternoon at a San Mateo convalescent home. She had been ill for several weeks.

Mrs. Collins served under three county clerks: the late Mrs. Elizabeth Kneese, the late Elmore B. Hinman and the incumbent, W. H. Augustus. She joined the staff Aug. 1, 1927, and last Aug. 1 she took an extended leave of absence.

Two years ago Mrs. Collins suffered a hip injury.

Her duaghter is Mrs. Virginia Reddie, San Mateo, who is in Mills Memorial Hospital, where her baby daughter was born a week ago.

Road surfaces can now be tested from the inside of a car.

MENLO PARK NEWS NOTES

MENLO PARK, Feb. 15 — Mr. and Mrs. W. T. Wilson, who were married at Santa Barbara last week, spent a portion of this week visiting relatives and friends in Palo Alto and Menlo Park. Mrs. Wilson is a very pretty and charming young woman.

A petition is being circulated in Menlo Park to be presented to the city trustees shortly asking the council to call a bond election to raise $6000 to be used in building and equipping a recreation field in the Day tract. If the election carries the government will advance the sum of $39,000. The election is to take place at the time of the city election. The petition in circulation must contain names of 15 per cent of the electorate. It is said this number has already been secured. There is hardly a doubt of the bond issue carrying. It would be absurd to turn down the generous offer of the government.

Now that Lent is here no marriages are expected during the season. However, it is rumored that three weddings right after the end of Lent on Mar. 24 will take place. The prospective principals are all local people.

The total rainfall for the season has been 12.48 inches. During a recent storm .75 inches fell. The total rainfall at this time last year was 8.20 inches.

There is a big head of water in the San Francisquito Creek, more than there has been in 15 years. This is caused by the recent heavy rains. The Stanford and Felt Lakes are filled to overflowing. The surplus water is turned into the creek.

J. Desmond Sullivan, assistant sergeant-at-arms of the Assembly at Sacramento, is slated for a position under Gov. Culbert L. Olson. Sullivan is one of the Democratic leaders in the eighth congressional district.

There is going to be a scramble for the two positions on the city council at the city election Apr. 9. There will be at least five candidates. Joseph Day and F. S. Becker have already filed and Paul H. Bryan is to file in a few days. Irving Dunn, former councilman, it is said, will also become a candidate. The campaign promises to be a short but merry one. The time for filing nomination petitions expires on Mar. 9.

Belmont's Ex-Chief Injured in Accident

Irving C. Hansen, 37, one-time Belmont police chief and until two months ago a member of the force there, suffered head and face injuries Saturday night when his machine struck the parked car of John L. Portman, 26, Sunnyvale, on the Bayshore near Belmont, according to Patrolmen Manfred Walzburg and Chester Kreiss.

Bygdnes and Maier Honored at Dinner

More than 150 gathered Tuesday night at the Benjamin Franklin Hotel in San Mateo at a farewell dinner for Henry Maier, Bank of America branch manager in Burlingame who recently was promoted to manager of a downtown San Francisco branch. The dinner also served as a welcome to Perry A. Bygdnes, Redwood City banker who has taken Maier's place.

TRANSPARENT Dental Plate Materials

For sheer beauty, naturalness and daintiness they are unique. Mere words do not suffice to describe the artistry shown in the cunning blending of color tones that make them so lifelike, so gratifying to the eye and so well adapted to their purpose that one can well understand why they are being enthusiastically endorsed by many members of our dental profession, and why we are proud of such a great factor that does so much to enable us to make dental plates that are nearer in appearance to nature's own tissues than many materials formerly used.

TRANSPARENT DENTAL PLATE MATERIAL
Means So Much to You! Dentists everywhere are using it in making plates and praising it for these qualities
1. LIGHTWEIGHT . . . yet practically unbreakable—so strong the palate can be made thin—clear, transparent and dainty.
2. SIMILARITY in color to nature's own gums being so great, results can be obtained that defy detection.
3. SNUG FIT possible, due to adaptability of transparent material to each individual mouth.
4. SMOOTH glossy finish made possible so that plates can easily be kept clean.

Salesladies, Business Men, Salesmen and others who are before the public are following the advice of their dentist and choosing the transparent materials for their dental plates. They realize that it is important no one should know that they wear artificial plates.

NOTE! To Present Plate Wearers
You may have your present teeth reset in the NEW, BEAUTIFUL, TRANSPARENT MATERIALS at a fraction of the cost of new plates.

New Attack Made On Race Results

Censorship of all race results sent by wire from California race tracks—including Tanforan and Bay Meadows—and substitution of printing machines in place of the Morse code system was announced here as Federal and State authorities clamped down on "leaks" to bookmakers.

First to feel the effects of the ban will be Santa Anita track where Gwynn Wilson, assistant to Dr. Charles H. Strub, manager of the track, ordered all Morse code apparatus supplanted by teletype printers. The change is expected to prevent "wire tapping," a method of securing race information by bookmakers which is not possible through the use of teletypes.

The move is another step in the campaign of federal authorities and that of Atty. General Earl Warren of California to block the bookmakers' business. All information, including newspaper stories wired by reporters from the tracks, must be approved by a censor, according to the order, which was given by Dep. Atty. Gen. Warren Olney in Los Angeles. California's fourth track, Hollywood Park, also is included in the order.

Central Park Group Re-elects Officers

Central Park Improvement Club Monday elected for one-year terms A. H. Morgan Jr. as president and Mrs. R. D. Raines as secretary-treasurer, both of whom had served as temporary officers since formation of the organization, and elected John J. Eshleman as vice president at a session attended by some 50 residents of the district.

By-laws, as presented by Eshleman, were accepted; discussion was given to the traffic problem on James Ave., and committees were named to work on the problem of encroachment in the area by Orientals, a Filipino having started construction of a home on Myrtle St. To prevent future building by Orientals, an ordinance will be sought from the city council, it was decided. To this end, committees were named to circulate petitions asking enactment of such an ordinance.

New Gasolines Made by Shell

Shell Oil Co. today announces development of two new motor fuels which are said to be a startling advance over gasoline as known up to the present time.

One of these is the new Super-Shell, with improved anti-knock value, smooth accelerating power and great economy. Despite its extra margin of performance, the new Super-Shell will sell at the same price as "regular" gasolines. The secret of its superior quality is credited to an improved "balancing process" whereby every desirable factor is present in just the right proportion, carefully balanced to make a perfect fuel.

The other new fuel is Shell Premium. It contains aikylate, a petroleum product which chemists have called a startling development. Alkylate, a petroleum derivative, improves combustion and anti-knock value, Shell asserts. The new Shell Premium has the highest power output of any automobile fuel ever made by Shell. It will sell at the usual price for premium gasoline.

"These two new fuels, now on sale by all Shell dealers, definitely will help to cut the cost of driving in traffic," it was said by Shell's local manager, A. R. Boyer.

"In addition, Shell dealers this year will continue to sign up new members for the 'Share-The-Road' Club which is working to cut down the amount of stop-and-go. All motorists are invited to join this club free of charge and the handsome club emblem will be installed by Shell dealers on their cars without charge."

Radium is enormously expensive because it takes 14,000 tons of ore to produce one ounce, worth $700,000.

Jury Places Blame For S.S.F. Shooting

SOUTH SAN FRANCISCO, Feb. 13—"Death through a gunshot wound . . . from a gun fired by Florencio Lopez" was the verdict of a coroner's jury sitting at Nauman & Muzio Funeral Home here today to investigate the fatal shooting of Magdellano Cervantes, 34, on Feb. 2.

Cervantes was killed during a scuffle at a birthday party at the C. Morales home, Forest Lane, South San Francisco.
